PROFESSIONAL SUMMARY

Data-driven professional skilled in Python, SQL, Excel, and Tableau, with hands-on experience in data analysis, data cleaning, exploratory data analysis, and dashboard development. Strong ability to build KPI frameworks, perform statistical analysis, and generate business insights to support decision-making, optimize performance, and drive measurable outcomes.

EDUCATION

B.Tech in Artificial Intelligence

2024 - 2028

Newton School of Technology, Rishihood University

CGPA: 7.5/10

PROJECTS

F1 Sponsorship ROI & Investment Analytics | Python, SQL, Tableau

- Analysed 4,600+ records to evaluate performance across growth, consistency and reliability
- Built a 5-metric KPI scorecard to rank 20 teams, identifying +129% growth and -32% decline, enabling 20-30% optimisation opportunities
- Applied statistical analysis to identify key drivers, showing volatility impacts performance ($R^2=0.28$) and operational efficiency improves outcomes
- Developed interactive dashboards to visualize risk-return trade-offs, supporting strategies that reduce risk by ~40-60%
- Identified undervalued segments with positive momentum, uncovering 2-3x ROI opportunities

Financial Performance & Profitability Dashboard | Excel, Tableau

- Analysed multi-year financial data (2022-2024) to track revenue, cost, and profit KPIs across regions and categories
- Performed segmentation analysis identifying ~25-30% variation in profitability, highlighting key revenue drivers
- Conducted trend analysis to detect seasonality patterns, supporting forecasting and planning decisions
- Built dashboards to monitor KPIs and cost drivers, enabling ~10-15% margin improvement potential

SKILLS

Data Analysis: Python, SQL, Data Cleaning, Exploratory Data Analysis, Statistical Analysis

Visualisation: Tableau, Dashboard Development, Data Visualization, Reporting

Tools: Excel, Jupyter Notebook, GitHub, MySQL

Business Skills: KPI Analysis, Segmentation, Trend Analysis, Forecasting, Profitability Analysis, Risk Analysis

ACHIEVEMENTS AND ACTIVITIES

- International 3rd Runner-Up — UCMAS Mental Arithmetic World Championship
- State/National Level Basketball Player
- Western Guitar (Grade 7, Trinity College)
